State your name age and residence and do you know the parties to this cause, and the land mentioned in these proceedings?

Jesse H. Wolfe I am 80 years of age, I reside at Hyattstown Maryland, I Know all the parties whose name you read, But there was but me of them that married, rather he had a common law wife, i should say, Charles Stewart, I Mean, he was not married, Thornton Stewart, I knew him, he is dead to, he died about two years years ago, Charles Stewart, he is dead, he mead about 4 years ago, Thornton Stewart he is dead, he has been dead about 25 or thirty years Fleming Stewart_ i knew him he is dead, he died about two years ago, Dennis Stewart, he is dead, he died about 5 or 6 years age, Emiline Stewart is dead, She died about ten years ago, Debby Stewart has been dead 25 years or more, John H. Stewart died soon after the civil war, and Elizabeth Stewart was the last of the Family she died about a year ago, not one of these people I have named ever married, and left no legitament Children, heirs at law, The Last survivor was Elizabeth, John H. Stewart bought a tract of land, From My Father Eli Wolfe, in 1862, I look at Exhibit C, to the Bill which I believe correctly describes it, it contains 12 acres of land, more or less, John Stewart died intestate, and his brothers and sisters inherited, this land, and they are the persons named by me above, Thornto Stewart was the Father of the above John, Fleming, Dennis, Charles, Debby and Elizabeth, and Emiline, he bought a piece of land from William McLain. I look at Exhibit D, to the Bill so far as i know it correctly describes it; - Fleming Stewart Conveyed to Isaac Rollins, about One acre of land, the land that appears as Exhibit F, which I Look at, this would leave about 20 actres of land, more or less, of thetwo tracts that Thornton Stewart and John H. Stewart respectively got from Mrs McLain and Eli Wolf which thesaid Elizabeth stewart, who survived, all of her Brothers and Sisters finally owned, Elizabeth Stewart died intestate, and left no personal estate worth mentioning. I am sure she had none, The land is withou improvements, except a very delapidated log Cabin. and is worth about, or will proably sell for \$12, or \$15,00 per scre.
